## You don't have to look out your bus window to see a great picture.

The REI System 2000 offers the best in video and audio entertainment. The System 2000 consists of 10" color monitors, VHS video cassette player, audio amplifier, AM/FM stereo cassette player, digital audio/video control unit, optional CD changer and optional multi-channel seat audio system that works together to give your passengers a quality sight and sound experience. Our system 2000 is made to withstand extreme temperature and vibration conditions. Don't be surprised if your passengers spend more time looking inside the coach instead of out the window.

## **GOOD-BY GRAFFITI!**

Transit Authorities in Los Angeles, Orange County and Riverside report savings as high as 90% in their battle against Bus Window vandalism using Glass Guard. Not only do they save \$\$\$, incidents of Bus Window etching and graffiti have dropped after Glass Guards have been installed.

- Acrylic Glass Guard liner is invisible to passenger.
- Liner replacements take only 2-3 minutes.
- Minimal Bus down time.
- Quick elimination of Graffiti discourages taggers and vandals.
- Recyclable liner costs \$10-\$15 to replace. (Compared to as high as \$650 for some window replacements)
- Glass Guards are available through OEM on new coaches.
- 100% Recyclable.
